

OXC 3829  
Copy 3 of 3

11 SEP 1962

MEMORANDUM FOR: Assistant Director, OSA

SUBJECT: OXCART Potential Target Coverage

REFERENCE: Memorandum for the Record, DD/R  
Meeting on OXCART Concepts and  
Potential Coverage, dated 6 September  
1962 (OXC 3827)

1. During a meeting with Dr. Scoville on 17 August 1962 the DD/R requested that studies be made to determine what action must be taken to increase the OXCART potential coverage. The Operations Division was asked to prepare a briefing on various profiles and to examine the advantages of various forward staging bases without regard to political implications.

2. The necessary range studies have been completed and a briefing has been prepared for your review at your convenience.
